Dear Ms. Adams,

As you requested, Sammy Houston was administered a polygraph examination on July 31, 2003. Below you will find the official results of the examination.

SUBJECT DATA

NAME: Sammy Junior Houston
ADDRESS: 4748 Paluxy Hwy.
Granbury, TX 76048
TX DL NUMBER: 17524394
DATE OF BIRTH: 7-15-64
EDUCATION: 10th grade

CASE DETAILS

Prior to the examination Ms. Adams provided copies of statements made by employees at Kentucky Fried Chicken in Granbury, Texas. Mr. Houston was employed there as a crew person and was terminated because of comments he had made. I went through the comments made by the employees and highlighted each thing of questionable nature and discussed them with Mr. Houston.

PRETEST STATEMENT

Brandy indicated that Mr. Houston told her that she looked sexy when she was angry and that she needed to go on the Slim Fast plan and told her she looked sexy in street clothes. In response to this, Mr. Houston stated that Brandy is married to a racist and that she had dated a black male in the past and he was angry about the fact that she worked with a black male. He described Brandy as being touchy. He stated he did tell

ps. "plaintiff was force by parole officers,

and whole Board of pardons and paroles; KFC et al to pay out of plaintiff own money for this test. "plaintiff was also threaten to be put back into prison if he didn't take the test." So, it was not plaintiff free will to do so. When the test was not what they wanted plaintiff was place back in prison with false lies et al.

her that her hair looked sexy. He said he did tell her that she needed to try Slim Fast and said he can't recall telling her she looked sexy in street clothes, but he might have. I do not remember this. And I know Mrs. Brandy before does not. The second person who commented about Mr. Houston was Amber. Amber indicated that Mr. Houston told her that her boyfriend was cheating on her and that she was pretty. Mr. Houston stated that he did tell Amber that she is pretty because she is and he told her she needed to go be a model. He said her mother took her to go get

photographs made to explore the possibility of her being a model. He said she is 16 or 17 years old and he thinks she is pretty touchy to. He stated he told her things like "if you think your boyfriend is cheating on you, most likely he is".

The third set of comments came from Karen Scott. Ms. Scott indicated that Mr. Houston asked her if talking like that to a black man made her uncomfortable while standing near her. He is alleged to have called her a sexy older woman and asked for a hug. He is alleged to have asked her to marry him. In response to this Mr. Houston stated he specifically remembered asking Karen if it made her uncomfortable for him to stand close to him since he was a black man. He stated he was exploring the way she might feel. He said he sees Granbury as a racist town and he was interested in her feelings about this. He stated he doesn't remember specifically calling her a sexy older woman, but thinks he might have. He said he might have asked her for a hug. He said he worked with her for a long time. He said he is unsure when he said that, but thinks he might have. He stated he never asked her to marry him.

She act like
I was unseen
man or no
man in her
eyes. She act
like she did
not want

me in the
morning.

The fourth and final complainant was Lacy Williams, who is about 20 years old. Lacy indicated that Mr. Houston told her she needed a married man that could get money for her and where there wouldn't be any strings attached. In response to this, Mr. Houston said he told her exactly that. He said Lacy has a history of bad boyfriends and had two children out of wedlock. He said she is always having boyfriend trouble, so he told her she needed to get an older man that was married to give her money and take care of her.

It should be noted that there is some comment in Karen Scott's complaint that he is always grabbing her and others. Because Mr. Houston has either acknowledged, or indicated that he can not specifically recall on each of the verbal complaints, I questioned him about touching the women on their sexual parts. He indicated that he had not done that. He said it is a crowded work area and they might have bumped one another from time to time, but he specifically denied touching the women sexually.

RELEVANT QUESTIONS
1. Did you touch the sexual parts of any female at KFC? ... "No".
2. Did you grab the sexual parts of any of the women of KFC? ... "No".

It was
a lie here
and it was
the truth
I told here
that I didn't
do it.

They said I touch
and always grabbing
them, but this lie
test said it's not
true.

Do to the fact That I am a Sex
Offender is why they are making a big
thing of this. If I was not a Sex
Offender this would not be a big deal.

RESULTS

Utilizing a You Phase Zone Comparison Technique, a polygraph examination was constructed and administered to Mr. Houston using the above relevant questions. Evaluation of the polygraph charts failed to reveal criteria indicative of deception to the relevant questions.

To whom it may concern:

While I was working at KFC there was a lot of fighting and huge arguments that would happen daily. Specifically between the manager Brandi, how the assistant managers. She would bring her personal life in at work. Which usually started fights between other co-workers. When other employees were having a conversation she would always drop in on what people were talking about and never once have I heard her quietly talk about it. Our customers could even hear her. The whole incident about Sammy getting fired because of sexual harassment is quite absurd. Sammy is not that kind of person. He is a very polite and considerate person. Never once have I and a couple of my other employees ever seen Sammy hit on or sexually abuse Lacie Williams or Brandi Johnson. As I recall, Lacie Williams was always calling Sammy and asking him to go places. Brandi Johnson was always her co-workers if her hair was sexy and if her outfit looked nice. Sammy always answered with the truth and if Lacie and Brandi did not like the answer they would be mad.

And the whole time I worked there Vida wouldn't listen to a word any of the guys said up there she would only listen to the women and I think that is sexist. All of the girls up there would always talk about their Boy friends and talkin dirty. Sammy got fired for no reason Vida said he was sexually harassing the women up there and the whole time I worked up there I never saw such a thing. I quit because Vida was very rude to me I told her I couldn't come to the meeting the next morning and she said she was going to write me up so I said ok, I went to the back to make flower and there was none so I told them it would be a minute I had to make some, and Vida yells well theres no crispy flower what ~~do~~ do you have to say about that so I made the flower and walked out.

Brandy Johnson

1. I never told Brandy or indicated to her that she looked sexy when she was angry when the truth is she not "That's a lie"
2. I never saw Brandy in street clothes to ever make a statement she is sexy in them. "That's a lie"
3. Brandy did ask me if her hair was or look sexy so to she got it cut and new hair color on it. Not only me but the other guys as well who work there. I just told her what she wanted to know and thought nothing of it after. I did not in any way mean it to be sexy in no way or like I was coming on to her. If she took it that way was her problem not mine. Because I have never been or thought of Brandy in no kind of sexy ways.
4. I told her that she should try Slim Fast that's all.

AMBER

- (i) It was Amber who ask me if I thought her boyfriend was cheating on her because she did not trust him. At 11

Said "I thinks I might have" because we all play and Joke around with each other at work and we all ~~said~~ says ~~think~~ things to each other that we don't mean. This is a Every day thing here at KFC. I do not remember asking Mrs. Scott for a hug; but so to they are always touching and hugging each other up there. And if we do good in something and get money for it and be happy or Joyful about me all would hug each other and think nothing of it. That is the only reasons I said I may have. But I never ask her to marry me.

Lacy Williams

Lacy is always telling me about her Children and men friends in her life. The father of her Children was in Jail with me once on that last time my parole officer had me put in the Hood County Jail. We talk about Lacy and I told him that he need to forget about Lacy and her other guys; and put his Children first. Anyway Lacy find out about it and thank me for this. She told her Children Daddy that I was cool and okay. That she feel she could talk to me. So, when she has a problem with her men etc al she ~~run~~ to me. yes, for the answer. It was always the same old bullshit and I did not want to hurt her feelings I put up with. I fix's her car, ~~etc~~ etc al. But never did I see, thought of Lacy in any kind of a Sexy way I saw her only as a friend and Co-worker nothing else.
